Product Video	N/A
100-Word Product Description	The CORSAIR Virtuoso RGB Wireless delivers a high-fidelity audio experience for the most discerning players, combining uncompromising sound quality with all-day, all-night comfort from its premium memory foam earpads and headband. Connect to virtually any device with ultra-low latency SLIPSTREAM CORSAIR WIRELESS TECHNOLOGY, 3.5mm wired, or 24bit/96KHz USB wired. Make yourself heard with a professional-grade, omni-directional detachable microphone with exceptional dynamic range. Lightweight, aluminum construction ensures long-term durability, while up to 20 hours of wireless battery life and 60ft of range give you absolute listening freedom. RGB lighting on each ear cup creates refined visual flair as you listen. CORSAIR iCUE software enables custom audio equalizer settings, immersive 7.1 surround sound, RGB lighting control and more, making you the maestro of your gaming experience.
50-Word Product Description	The CORSAIR Virtuoso RGB Wireless delivers a high-fidelity audio experience for the most discerning players, combining uncompromising sound quality with all-day, all-night comfort from its premium memory foam earpads and headband. Connect to virtually any device with ultra-low latency SLIPSTREAM CORSAIR WIRELESS TECHNOLOGY, 3.5mm wired, or 24bit/96KHz USB wired. Make yourself heard with a professional-grade, omni-directional detachable microphone with exceptional dynamic range.
25-Word Product Description	The CORSAIR Virtuoso RGB Wireless delivers a high-fidelity audio experience, all-day comfort from its premium memory foam earpads, and hyper-fast connectivity with SLIPSTREAM WIRELESS technology.
Product Features (Style 1)	<ul style="list-style-type: none"> • Experience uncompromising sound quality and immersive 7.1 surround sound with a matched pair of precisely tuned 50mm high-density neodymium speaker drivers, delivering a frequency range of 20Hz-40,000Hz – double that of typical gaming headsets. • Long-lasting comfort to wear all day with premium memory foam earpads that conform to the shape of your head and a lightweight pillow-soft headband. • Connect wirelessly for high-fidelity, ultra-low latency audio and an exceptional 60ft signal range with hyper-fast SLIPSTREAM CORSAIR WIRELESS TECHNOLOGY. • Make yourself heard with exceptional dynamic range and vocal clarity, thanks to a professional-grade, omni-directional high-bandwidth detachable microphone. • Lightweight, machined aluminum construction ensures both maximum comfort and long-term durability. • Connect to virtually any device including PC, Xbox One, PS4, Nintendo Switch, and mobile with wired 3.5mm, USB, or SLIPSTREAM WIRELESS.* • 24bit/96KHz Audio delivers true high-fidelity sound via USB wired connection.

	<ul style="list-style-type: none"> A custom, high-capacity lithium-ion battery and an accelerometer-based smart-sleep/wake function provide up to 20 hours of battery life for all-day, all-night gaming. RGB lighting on each ear cup allows for virtually unlimited color options and customization to match any style. CORSAIR iCUE software offers a range of pre-tuned audio profiles or custom tuning of your equalizer settings, immersive 7.1 surround sound, sidetone control and RGB lighting synchronization with compatible CORSAIR peripherals, coolers, fans and more. <p>* Connection compatibility dependent upon device. 7.1 surround sound only available on PC.</p>
Product Features (Style 2)	<ul style="list-style-type: none"> Uncompromising Sound Quality: A matched pair of precisely tuned 50mm high-density neodymium speaker drivers deliver immersive 7.1 surround sound with a frequency range of 20Hz-40,000Hz – double that of typical gaming headsets. Comfort is King: Premium memory foam earpads that conform to the shape of your head, along with a lightweight headband deliver pillow-soft, long-lasting comfort, enabling you to play for hours on end. Hyper-Fast Gaming-Grade Wireless: High-fidelity, ultra-low latency audio, with an exceptional 60ft signal range using SLIPSTREAM CORSAIR WIRELESS TECHNOLOGY. Professional-Grade Detachable Microphone: An omni-directional, high-bandwidth microphone provides exceptional dynamic range and vocal clarity. Premium Lightweight Construction: Built with machined aluminum, ensuring both maximum comfort and long-term durability. Wide Device Compatibility: Connect to virtually any device including PC, Xbox One, PS4, Nintendo Switch, and mobile with wired 3.5mm, USB, or SLIPSTREAM WIRELESS.* High-Fidelity 24bit/96KHz USB Audio: Experience true high-fidelity sound via USB wired connection. All-Day, All-Night Battery Life: Game for up to 20 hours at a time thanks to a custom, high-capacity lithium-ion battery and an accelerometer-based smart-sleep/wake function. Dynamic Dual-Zone RGB Lighting: RGB lighting on each ear cup allows for virtually unlimited color options and customization to match any style.
