100-Word Product Description	The CORSAIR K55 RGB PRO Gaming Keyboard lights up your desktop with vibrant five-zone dynamic RGB backlighting and powers up your gameplay with six easy to set up dedicated macro keys. The K55 RGB PRO is certified for IP42 dust and spill-resistance to stand up to wear, tear, and more, with a detachable palm rest to ensure all-day comfort. Quiet and responsive keys are comfortable for typing or gaming, and dedicated media keys put play, pause, and more within easy reach. CORSAIR iCUE software makes it easy to personalize your lighting and macros, while anti-ghosting and selective key rollover ensure your critical inputs are delivered when they matter most.
50-Word Product Description	The CORSAIR K55 RGB PRO Gaming Keyboard lights up your desktop with five-zone dynamic RGB backlighting and powers up your gameplay with six easy to set up dedicated macro keys. The K55 RGB PRO is certified for IP42 dust and spill-resistance to stand up to wear, tear, and more, with a detachable palm rest to ensure all-day comfort, win after win.
25-Word Product Description	The CORSAIR K55 RGB PRO Gaming Keyboard lights up your desktop with five-zone dynamic RGB backlighting and powers up your gameplay with six dedicated macro keys.

Product Features (Style 1)	• Light up your desktop with six onboard lighting effects, assign a color to each lighting zone, or program your own vibrant lighting effects across five RGB lighting zones with CORSAIR iCUE software. • Activate functions, shortcuts, or keypresses in just one stroke with six dedicated macro keys, easily set up through CORSAIR iCUE software, or use instant streaming commands through Elgato Stream Deck software. • IP42-rated dust and spill resistance guards against accidents so your gameplay never has to stop. • A soft rubber detachable palm rest reduces stress on your hands so you can play longer in comfort, with a textured surface to keep your hands from slipping. • Dedicated volume and media keys let you control media playback and fine-tune volume on-the-fly without having to interrupt your game. • Quiet and responsive keys offer comfortable typing during both work and play, with a tactile bump for responsive gaming performance. • CORSAIR iCUE software offers powerful dynamic RGB lighting control, sophisticated macro programming, system-wide lighting synchronization, and much more, all in a single interface that connects all iCUE-compatible CORSAIR devices throughout your setup. • Anti-ghosting with selective key rollover ensures your FPS and MOBA game inputs always register even with simultaneous key presses. • A dedicated Windows Key lock button prevents accidental Windows and contextual menu keypresses, ensuring you'll never interrupt your game at critical moments.
Product Features (Style 2)	• **Dynamic RGB Backlighting:** Light up your desktop with six onboard lighting effects, assign a color to each lighting zone, or program your own vibrant lighting effects across five RGB lighting zones with CORSAIR iCUE software. • **Six Dedicated Macro Keys:** Activate functions, shortcuts, or keypresses in just one stroke with six dedicated macro keys, easily set up through CORSAIR iCUE software, or use instant streaming commands through Elgato Stream Deck software. • **Dust and Spill-Resistant Design:** IP42-rated protection guards against accidents so your gameplay never has to stop. • **Detachable Palm Rest:** A soft rubber palm rest reduces stress on your hands so you can play longer in comfort, with a textured surface to keep your hands from slipping. • **Dedicated Volume and Media Keys:** Convenient control for media playback and fine-tuning volume on-the-fly without having to interrupt your game. • **Quiet and Responsive Keys:** For comfortable typing during both work and play, with a tactile bump for responsive gaming performance. • **Powerful CORSAIR iCUE Software:** Offers dynamic RGB lighting control, sophisticated macro programming, system-wide lighting synchronization, and much more, all in a single interface that connects all iCUE-compatible CORSAIR devices throughout your setup. • **Anti-Ghosting with Selective Key Rollover:** Ensures your FPS and MOBA game inputs always register even with simultaneous key presses. • **Dedicated Windows Key Lock Button:** Prevents accidental Windows and contextual menu keypresses to ensure you'll never interrupt your game at critical moments.
