PRODUCT DESCRIPTION

LONG:

Chat Link Pro lets you stream or record PS5, PS4, or Nintendo Switch voice and gameplay audio. Simply connect your controller, headset and Elgato Game Capture device, and you're all set. The extra-long, braided cable provides freedom of movement and extra durability for endless sessions of playing, while the switchable line isolator eliminates humming and gold-plated connectors ensure optimum sound quality. A single cable guaranteeing a quick and easy setup, Chat Link Pro is your premium, all-in-one solution for capturing all audio from your favorite gaming consoles.

MEDIUM:

Chat Link Pro lets you stream or record PS5, PS4, or Nintendo Switch voice and gameplay audio. Simply connect your controller, headset and Elgato Game Capture device. Featuring a braided cable jacket for extra durability and a line isolator plus gold-plated connectors for optimum sound quality, Chat Link Pro is your premium solution for capturing all audio from your favorite gaming consoles.

SHORT:

Chat Link Pro lets you stream or record PS5, PS4, or Nintendo Switch voice and gameplay audio. Simply connect your controller, headset and Elgato Game Capture device, and you're all set.
