Overview

Description 25 Word

CORSAIR RMx White Series fully modular power supplies are built with the highest quality components to deliver 80 PLUS Gold power to your PC, with virtually silent operation.

Overview

Description 50 Word

CORSAIR RMx White Series fully modular power supplies are built with the highest quality components to deliver 80 PLUS Gold efficient power to your PC. Zero RPM Mode means an RMx series PSU is virtually silent at low and medium loads, and even at maximum power, a low noise fan ensures quiet operation.

Overview

Description 100 Word

CORSAIR RMx White Series fully modular power supplies are built with the highest quality components to deliver 80 PLUS Gold efficient power to your PC. Using only Japanese 105°C capacitors, users can depend on an RMx PSUs’ long life and reliability, backed by a ten-year warranty. Zero RPM Mode means an RMx series PSU is virtually silent at low and medium loads, and even at maximum power, a low noise fan ensures quiet operation. Fully modular, flat white cables make PC builds and upgrades easy, as you only need to install the cables your system requires. Quiet, efficient and dependable, an RMx PSU has everything you need to power your high-performance PC for years to come.

Features

- 80 PLUS Gold certified for lower power consumption, less noise and cooler temperatures.
- Tuned for low noise operation even at full load.
- Zero RPM fan mode for near-silent operation at low to medium loads.
- 100% industrial-grade, 105°C rated Japanese capacitors ensure unwavering power and reliability.
- Flexible fully modular, flat white cables for easy cable routing.
- Now available in an elegant white finish to make your build truly stand out.
- Ten-year warranty for complete peace of mind.

Style 2

- **80 PLUS Gold Certified:** High efficiency operation for lower power consumption, less noise and cooler temperatures.
- **Tuned for Low Noise Operation:** A specially set fan curve ensures that, even at full load, fan noise is kept to a minimum.
- **Zero RPM Fan Mode:** At low and medium loads the cooling fan switches off entirely for near-silent operation.
- **100% All Japanese Capacitors:** Premium internal components ensure unwavering power delivery and long-term reliability.
- **Fully Modular, Flat Cables:** Flexible fully modular, flat white cables for easy cable routing.
- **Elegant, White Casing:** Now available in an elegant white finish to make your build truly stand out.
- **Ten-Year Warranty:** Your guarantee of reliable operation that will last across several system builds.
