Overview

100 Word Product Description

The CORSAIR ICUE ELITE CPU Cooler LCD Display Upgrade Kit transforms your CORSAIR ELITE CAPELLIX CPU cooler into a personalized dashboard, vividly displaying animated GIFs, images, and system stats on a vibrant LCD screen. With a 480x480 resolution, 24-bit true color depth, and 16.7 million colors, the ultra-bright 2.1" screen shines with crisp visuals, surrounded by a ring of 24 RGB LEDs. Use powerful CORSAIR ICUE software to upload your own images and GIFs, switch between display options such as CPU temps and fan speeds, and unlock full lighting synchronization across your entire ICUE setup. Choose from a diverse library of unique graphical themes to create a digital dashboard on display.

- Features**
- Style 1**
- Do more with your CORSAIR ELITE Series CPU cooler than you ever thought possible by turning it into your own personalized LCD dashboard, offering custom graphics to accent your system's aesthetics and track its performance in real-time at a glance.
 - Showcase your favorite animated GIF, funniest meme, your team's logo, or anything you like on a custom 2.1" IPS LCD screen with 480x480 resolution and ultra-bright 600cd/m² backlight.
 - A diverse library of colorful themes let you view vital system information in bold graphic display styles that suit your system and setup.
 - 24-Bit true color depth provides over 16.7 million rich, eye-popping colors for vibrant readouts and animations.
 - Compatible with any CORSAIR ICUE ELITE CAPELLIX Liquid CPU Cooler, utilizing four mounting magnets for quick and easy installation.
 - A ring of 24 RGB LEDs encircles the screen, linking with animations for even more immersive, eye-catching visuals and vibrant lighting effects.
 - Fully controlled through CORSAIR ICUE software, enabling you to switch between a variety of viewing options such as fan speeds, CPU temps, images, GIFs, and more, while synchronizing RGB lighting with your entire ICUE-compatible setup.
 - The high-quality LCD display stays bright throughout its lifespan, without suffering from the screen burn-in or luminosity degradation experienced with many OLEDs or lower-grade displays.
 - Five-year warranty grants you complete peace of mind.
- Style 2**
- Your Own Personalized LCD Dashboard:** Do more with your CORSAIR ELITE Series CPU cooler than you ever thought possible, giving it custom graphics to accent your system's aesthetics and track its performance in real-time at a glance.
