PRODUCT DESCRIPTION

LONG:

Optimized for desktop chroma keying, Green Screen Mouse Mat takes your overhead camera setup to a whole new level. Just aim your camera, add a filter in your favorite software, and immerse your subject matter in the content or background of your choice. The smooth glide surface ensures accurate mouse control while a natural rubber base guarantees excellent grip, stitched edges prevent fraying, and a low profile delivers hours of comfort. Extra large and durable, Green Screen Mouse Mat is ideal for gameplay hand cam setups, creative tutorials, unboxing videos and more.

MEDIUM:

Optimized for desktop chroma keying, Green Screen Mouse Mat takes your overhead camera setup to a whole new level. Just aim your camera, add a filter in your favorite software, and immerse your subject matter in the content or background of your choice. Extra large and durable, Green Screen Mouse Mat is ideal for gameplay hand cam setups, creative tutorials, unboxing videos and more.

SHORT:

Optimized for desktop chroma keying, Green Screen Mouse Mat takes your overhead camera setup to a whole new level.
