Product information	<p><b>Just like a real racing car</b> The Playseat® Evolution PRO is build to make you go even faster and bringing you even closer to real racing. Thanks to its design, the Evolution PRO is perfectly close to authentic racing cockpits. This racing seat has head stabilizers, just like in a real racing car, which are filled with high-density foam to protect your head and providing you optimal concentrate during the most intense races.</p> <p><b>Superior build quality, stability, adjustability and comfort</b> The Evolution PRO has superior build quality, stability, adjustability and comfort. The high-quality materials make it extremely durable and comfortable to sit on this chair for hours of racing fun. The seat will translate any Force Feedback of your steering wheel perfectly, allowing you to become more consistent and faster in your racing games.</p> <p><b>Adjustability</b> The driving cockpit features quick adjustability, making sure that everyone can fit, from children to adults. The pedal plate and steering wheel plate are also fully adjustable, allowing full customization to every kind of player.</p> <p><b>Easy to store</b> The Playseat® Evolution PRO has a unique, patented foldable system for easy and fast storage. Once collapsed the racing seat can be placed under any regular table or desk.</p>
