

All-In-One Meeting Room Scheduling Panel

Yealink RoomPanel E2 is an 8 inch all-in-one meeting room schedule panel runs android 13 and comes with full RGB programmable LED background illumination for immediate visible communication of room status. It includes multi-touch capabilities, 802.11ac Wi-Fi, Bluetooth 5.0, built-in NFC/RFID reader, enhanced microphone arrays and speakers to meet all modern workspace demands. Also equipped with Power-over-Ethernet and a variety of mounting brackets, Yealink RoomPanel E2 could be easily mounted on any surface.

Key features and benefits

8-inch multi-touch interactive panel

The multi-touch screen makes it easy to book a room or check in/out on the room panel.

Anti Fingerprint Screen

Keep the screen clean and free from fingerprints and oil stains.

High Visibility LED Bars out Room Status

Full RGB LED bars for immediate all-round visible communication of room status.

Ambient Light & Proximity Sensor Embedded

Environment self-adaptation. Automatically adjust the screen brightness and automatically wake up the screen.

Any Walls, and Tilt Optional

Provide brackets and 3M velcro. Compatible with electrical box, glass and wood, etc., with optional parallel or tilt angle.

Orientation Optional *

Easy to mount with portrait or landscape.

PoE or DC Power

Minimalist and flexible installation, keep workspace tidy and modern.

Remote Device Management

Easily monitor, manage, and diagnose by Yealink Management Cloud Server.

802.11ac Wi-Fi

Support wireless network deployment and anti-jamming Wi-Fi.

Bluetooth 5.0

Directly connect to room sensors without extra gateways and support proximity features.

RFID & NFC Embedded *

Enhance ID authorization security and track meeting attendees.

Actions with Occupancy Sensor *

Actions with the room occupancy sensor, such as automatic release, automatic check-in, etc.

* Subject to the functions of the third-party APP.
